# Press ready solutions to help you take on printing challenges.

Our flexographic tapes and durable label materials offer a press-ready solution to give you predictable print results.

Every printer is facing changing workplace expectations. Customers continually want more for less — making your job even more difficult. High-performing printing solutions and partnerships can help you overcome whatever challenges come your way.

## 3M™ Flexographic Tapes

3M flexographic plate mounting tapes deliver optimal, consistent and productive quality.

### Our mounting tapes:

- Utilize specially formulated 3M™ Comply™ adhesive
  - Allows for bubble-free tape and plate application
  - Creates optimal tape handling during application and removal
  - Easily remove plates in one piece so they can be re-used
  - Reduces print defects
  - Caliper tolerance meets demanding registration requirements
- Reduce overall mounting and demounting time, increasing productivity
- Easier plate removal and easier tape removal from sleeve or cylinder

## 3M™ Durable Label Materials

3M Durable Label Materials provide long-lasting performance in harsh environments and across multiple print methods

### 3M Durable Label Materials:

- “Top-down” best-in-class performance
- Press-ready with no priming or pre-treatment steps needed for optimum print quality
- Potentially eliminate the need for overlaminates
- Run jobs faster
- Rationalize inventory with one solution that works across ink systems and print technologies
- Expansive offering with a variety of adhesive systems and facestocks

## Partnership and expertise

Assistance optimizing every facet of your printing process

**Technical Information:** The technical information, guidance, and other statements contained in this document or otherwise provided by 3M are based upon records, tests, or experience that 3M believes to be reliable, but the accuracy, completeness, and representative nature of such information is not guaranteed. Such information is intended for people with knowledge and technical skills sufficient to assess and apply their own informed judgment to the information. No license under any 3M or third party intellectual property rights is granted or implied with this information.

**Product Selection and Use:** Many factors beyond 3M's control and uniquely within user's knowledge and control can affect the use and performance of a 3M product in a particular application. As a result, customer is solely responsible for evaluating the product and determining whether it is appropriate and suitable for customer's application, including conducting a workplace hazard assessment and reviewing all applicable regulations and standards (e.g., OSHA, ANSI, etc.). Failure to properly evaluate, select, and use a 3M product and appropriate safety products, or to meet all applicable safety regulations, may result in injury, sickness, death, and/or harm to property.

**Warranty, Limited Remedy, and Disclaimer:** Unless a different warranty is specifically stated on the applicable 3M product packaging or product literature (in which case such warranty governs), 3M warrants that each 3M product meets the applicable 3M product specification at the time 3M ships the product. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR ARISING OUT OF A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE. If a 3M product does not conform to this warranty, then the sole and exclusive remedy is, at 3M's option, replacement of the 3M product or refund of the purchase price.

**Limitation of Liability:** Except for the limited remedy stated above, and except to the extent prohibited by law, 3M will not be liable for any loss or damage arising from or related to the 3M product, whether direct, indirect, special, incidental, or consequential (including, but not limited to, lost profits or business opportunity), regardless of the legal or equitable theory asserted, including, but not limited to, warranty, contract, negligence, or strict liability.
